Fig 3. Skoteini cave at Tharrounia. Schematic elevation of south scarp of Trench A, east to left. The numbers to the left of the horizontal frame at the right side are excavation layers. Numbers with two decimal places are depths below the modern surface of the deposit in the cave. Radiocarbon dates for the whole trench have been projected onto the scarp. Based on Sampson 1993, pp. 22-23, sch. 6, 7 and the radiocarbon dates as listed and calibrated on p. 285.
